About Me

Aditya Prasad

I'm Second-year Computer Science and Engineering student at SRM Institute of Science and Technology (SRMIST) with a strong foundation in programming, problem-solving, and computer systems. Passionate about software development, data structures, and algorithms. Experienced in C, C++, and Python, with a growing interest in operating systems, networking, and web development. Actively involved in event management within the college, contributing to organizing technical and cultural events. Seeking internship opportunities to apply technical skills and gain industry experience in software development and IT fields.
